## **ANNOUNCEMENT / IMPORTANT INFORMATION**

Dear All!

We are pleased to inform you that despite a difficult period for our sector of business due to restrictions on holding live concerts and events because of the coronavirus crisis, our company continues its activities and is looking for new solutions for activities and remains useful for our clients, partners and friends.

One of the important steps in this was the relocation of the office (headquarters) to a new location for more efficient operation, cost savings and the ability to operate the office in real mode, and not in a destructive online format (this is our opinion). This event took place officially starting November 09, 2021.

In addition, it is connected with an interesting topic - we found additional opportunities for the development of our business in the new location - in the area of "Event Factory Sloka" / this name of the local project for a potential open-air venue in Jurmala (resort town located near Riga).

This change has already become useful for JSA Europe Stage Company and we are sure it will bring many additional bonuses in the near future. Especially at the moment when the situation with "covid" ceases to be relevant and the revival of all business processes begins.

Our new legal and business address:  
SLOKA 7147, JURMALA, LATVIA, LV-2011
